Product features

- Scientifically-designed channels adjust to most ear sizes, offering low pressure comfort while allowing excellent speech perception
- Outer grooves allow for larger surface area in the direction of the eardrum to prevent sound build-up in the inner ear
- Fluted, tapered design allows for easy insertion
- High density, slow-expanding PU foam for premium comfort and fit
- Oval-shaped opening matches the opening of the ear canal and allows for easy removal
- Patented earplug design
- Available corded
