**FIXED POINT
SYSTEM**

RSFP-X90

ROTHBUCHER ONE POINT FITS ALL SYSTEM

A unique system with multiple options

**FIXED POINT
SYSTEM**

RSFP-X99

If greater magnetic adhesion to the adapter is desired or required,
we recommend the series RSFP-X99.

Using the correct offset, the surveyor always obtains
the same survey point and the same XYZ coordinates.

Products with
tilting axis height 100 mm
